Dear Mr. Colby:

As Chairman of the Board of Trustees for the Federal Woman's Award, I am pleased to extend to you an invitation to submit nominations from your agency for the 15th annual Federal Woman's Award, to be presented in October 1975 in Washington, D. C.

The vigorous interest in the Federal Woman's Award program shown each year by the President and by heads of agencies has played an important role in its success. The program offers a valuable opportunity to pay high tribute and to focus nationwide attention on the accomplishments of your exemplary career women. I am sure you will want to start immediately on the staff work that will lead to nomination of outstanding candidates from your field offices, as well as your Washington headquarters.

We would like to remind the agencies that there are no criteria with regard to the age of women nominees. While young women may not have had lengthy careers, some of their contributions are very significant. The Board is also conscious of the fact that the vast majority of nominations are women in the upper grade levels and we would like to call your attention to the criteria for nominations -- that women who have attained a rank equivalent to grade GS-9 or above are eligible. We would also like to remind the agencies that there is no limitation on how often women may be nominated by their respective agencies, provided they have not been a recipient of the award previously.

~~The closing date for receipt of nominations is May 1.~~ A sample nomination form and criteria for nominations are enclosed. Your agency may obtain additional forms by addressing a request to the Federal Woman's Award, care of the U. S. Civil Service Commission, Washington, D. C. 20415, or by calling 632-5568.

Your agency's participation in this important program will be most welcome. The Board joins me in anticipating the nominations of the highly able and dedicated career women of your agency whom you believe are qualified for this honor.

Cordially,

Jayne B. Spain
